FWN Educational Consultant and Presenter: **Whitney Jones-Burns**

Whitney Jones-Burns is a Fort Wayne native. She graduated from the University of Saint Francis with a Master's degree in Special Education. She has been married for 8 years and she and her husband are proud dog parents to Chevy and Gracie. Whitney has extensive Special Education training at all levels of education including college. Whitney is a current college professor at Ivy Tech community college as well as a Special Education teacher coach for a local school district. She is excited to work with families and support them with educational success.

Workshop descriptions:

Social Skills in Children's Books

This workshop will explore children's books that involve social skill lessons at home. Children will be able to read the books or you can incorporate the books in your daily life practices such as bedtime story routines.

Kindergarten Readiness

Is your family ready for kindergarten? In this workshop you will learn about the current kindergarten expectations and how to prepare your child and family.
