Peter Dodzik, PsyD, HSPP, ABN, ABPdN

Dear Airman:

A complete copy of your agency medical records must be received at least one week prior to your scheduled appointment. You do NOT need to request a certified/blue ribbon copy of your records, but it does need to be sent directly from the Aerospace Medical Certification Division (AMCD) in Oklahoma City, OK to our office. For further information regarding this process, please call the AMCD at **(405) 954-4821 and select option 4**.

It is not uncommon for it to take 6-8 weeks after a request is submitted before the records are received by my office. If you have an appointment coming up in the near future, please speak with them about options for expediting your record release, such as overnight delivery. If you have medical or psychological records from a recent event that have not yet been added to your complete FAA file, please ensure those are sent to me as well. Thank you!

Please send records to:

Fort Wayne Neuropsychology
